**Battle of the Praise Bands!**

If your passion for music is one that you would like to share with other groups for this event, consider sharing either your favorite selection or an original work with us for this year's event.

You have time to practice, but please check back for your opportunity to add your group to the evening's playlist as we will also be awarding participation points for groups who will be sharing their music with us!

**ALL TALENTED ARTISTS!!!**

We are looking for a fresh, new design for this year's Cardboard Box City T-Shirt! Plus—bonus points if you are part of a church youth team for your group participation!

We welcome your creativity and ideas and please enter your design **by May 30th** for our contest!

We will announce the winner in our June Newsletter and on facebook and your reward will be super "cool."

Please contact us with questions! 843-407-5745
